Dear Mr. Dulles:

On June 13, 1960, I mailed to you a large Scroll, 2 ft x 16 ft. long, together with a Manuscript and tape recording. All of which was pertaining to the Prophecy of the Holy Bible. [redacted] acknowledged receiving these three items, in as much as you were out of the city.

STAT

On July 12, 1960, I mailed to [redacted] a copy of the tape recording and manuscript, "Armed Forces of The Lord". This was a supplement of the above Scroll, and promised it to you in the original communication.

I am wondering if you have had an opportunity to listen to the tape and study the contents of the written matter. I will be pleased to hear from you concerning the reactions that you have on the works presented to you.

Yours very truly
